In a reconciliation without recollection, Joshua Ben David Nichols argues that if we are to find a meaningful path toward reconciliation, we will need to address the history of sovereignty without assuming its foundations. Exposing the limitations of the current model, Nichols carefully examines the lines of descent and association that underlie the legal conceptualization of the

'recollection encyclopedia volume catholic online
May 25th, 2020 – recollection as understood
in respect to the spiritual life means attention to the presence of god in the soul. It includes the withdrawal of the mind from external and earthly affairs in order to attend to god and divine things. It is the same as interior solitude in which the soul is alone with god. This recollection is twofold: active recollection may be acquired by our own efforts.''
